1. Working with Odyssey Wealth Management

This document is aimed at providing you with a brief overview of our firm and to introduce you to our service in more detail. After you have read this document you will need to select the service and remuneration package that best suits your needs. We will discuss this with you so that you fully understand what is offered and how it will benefit you. Should you have any questions regarding any element of this please do not hesitate to ask us.

2. Who are we?

We are focussed on helping individuals and businesses understand and plan for their financial future. We are an intermediary business which means we do not sell our own products and therefore act on your behalf. We offer you an initial discussion (at our expense) at which we will describe our services more fully and explain the payment options. Following our initial discussion, should you decide to work with us there is a cost for our advice and services. We recommend products and provide services as follows:

Investments

- We offer independent investment advice. This means that we consider a wide range of financial strategies and products. We are constantly reviewing the market to ensure that the services and products we offer are appropriate for our clients.
- Where we recommend particular investment strategies and products to you, these will be selected based on your personal circumstances, financial goals and objectives. We'll consider a number of factors, including the services you need, the cost of investing, how much risk you are prepared to accept in an investment product and how much of a drop in its value you could withstand. Where appropriate we may use an Investment Platform to administer your investments.
- We provide advice on a variety of investments and have access to solutions which would meet the needs to all different client types. However, in the majority of instances our core recommended solutions are Individual Savings Accounts 'ISAs', Collective investments and Retirement solutions.
- As we believe your investment should be fully diversified our core investment strategy is based on Multi-asset funds/Passive portfolios/Active portfolios/Outsourced Investment solutions which are aligned to an asset allocation model which also takes your investment time horizon into account. We can however advise on specialist investment solutions where appropriate to your circumstances.
- Please note that we don't usually provide advice in relation to directly held individual shares, options, futures and other derivative contracts. We don't provide advice on them as we believe that they are unlikely to be suitable for the majority of our clients however we will provide generic advice where applicable. If you need individual advice we recommend you refer to a stockbroker.

Non-investment protection contracts

- We are an Insurance Intermediary and act on your behalf. Where we provide advice on protection contracts including life insurance, critical illness and income protection this will be based on a fair and personal analysis of the market.

Mortgages

- Where we propose to advise you on a regulated mortgage we will provide you with a separate Mortgage Services document detailing the services we offer and the costs of those services.

Our commitment to you

We believe that Treating Customers Fairly is about delivering a fair outcome to our customers whilst offering a first-class business service. It is embedded in our culture, and our customers can be assured of this as:

- We are open about the way we carry out our business and how we are remunerated
- We welcome customer feedback on a regular basis
- We encourage all our staff to continue with their professional development
- Our business is about our customers, and we are always conscious of this.

We look at all areas of our business on a regular basis to ensure that:

- Customers can be confident that they are dealing with a firm where the fair treatment of customers is central to our firm's culture.
- We consider our customers when promoting new services and products and ensure that they are relevant to them.
- Our customers are provided with clear information and we keep them informed before, during, and after the point of sale.
- Where advice is provided, we take time to understand our customers' situation and ensure that our advice is suitable and appropriate.
- We meet our customers' expectations, providing them with a level of service and products that are of an acceptable standard.
- We will ensure that our customers can switch providers, change products, surrender policies and make any complaints without any undue barriers

3. Financial Review Process

As a financial planning business, we are focussed on helping you understand and plan for your financial future. By working with you we aim to have a full understanding of your current financial position, your objectives and identified needs.

This enables us to provide suitable solutions for your needs, providing you with clear financial direction aimed at maximising the opportunities for achieving your objectives.

In practical terms, our review process is as follows:

4. Our Service

We offer both initial and ongoing services. Any products we have arranged for you will only be kept under review as part of an agreed ongoing service for which you agree to pay. Our ongoing services are optional, however where you agree to purchase an ongoing service, unless otherwise agreed, the ongoing service will be provided as a follow up to the initial service.

Any advice or recommendation that we offer to you, will only be given after we have assessed your needs and considered your financial objectives and attitude to any risks that may be involved. We will also take into account any restrictions that you wish to place on the type of products you would be willing to consider.

In some circumstances we may provide you with a non-advised service where you will not receive advice or a recommendation from us. Where this is the case we will provide details of our non-advised services and charges separately.

5. Commencement

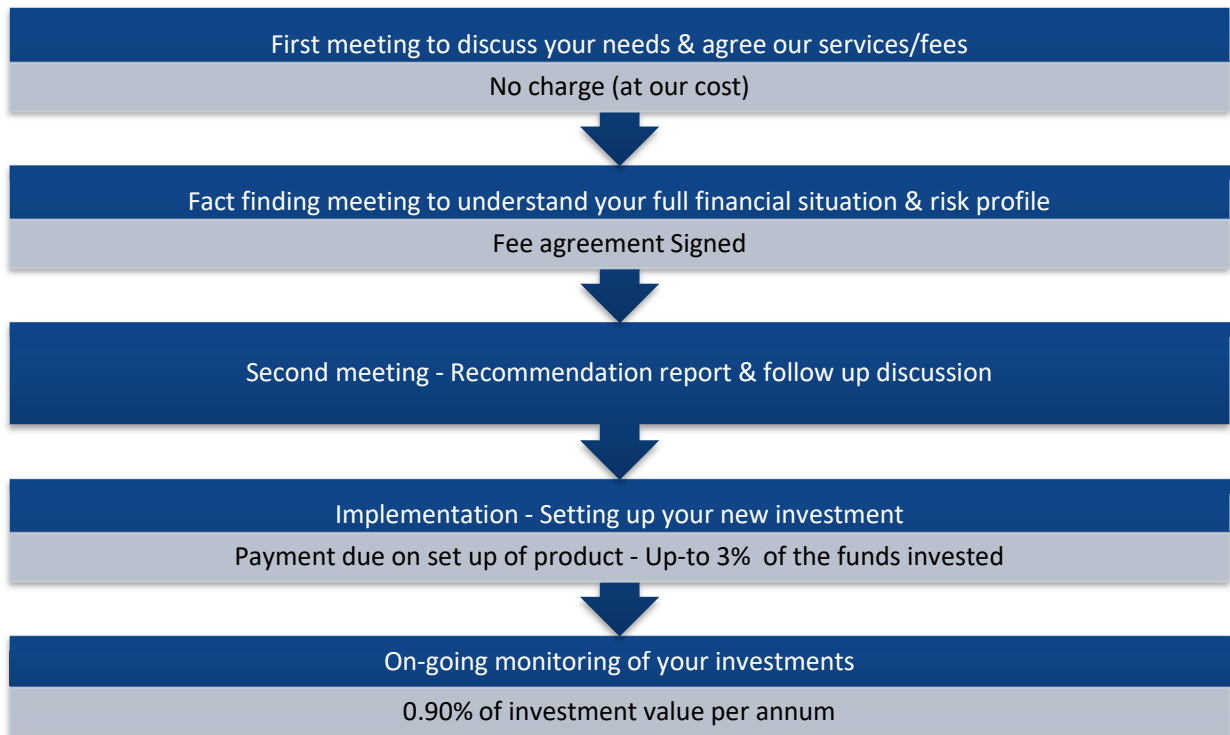

This agreement, together with our Fee Agreement, shall commence on the date of signing and shall remain in force until terminated in accordance with Section 12 – Cancellation below

6. Financial planning and how we charge for it

For any aspect of our financial planning all actual charges and fees will be fully disclosed to you. We will not charge you until we have discussed your payment options and agreed with you how we are to be paid. We will also let you know if there are any other costs that might arise in connection with the services we provide to you.

Our charges/fees will be VAT exempt unless the work we provide for you only involves advice and/or preparing a report, in which case VAT may be applicable. We will always tell you if you have to pay VAT before we undertake any work for you. Charges for the ongoing service will not be liable to VAT (unless the initial service was liable to VAT) where both the initial and ongoing services are part of the same package.

6.1 How our charges work

Investment Planning

Initial charges

Our charges relating to new work e.g. client take-on, new investments and one-off reviews are as follows. These are based on a tiered charging structure and family investments (husband and wife/partner / Children only) are charged on a cumulative basis.

Initial fee under £100,000	3% of the funds invested
	For an investment of £75,000 you would be charged an initial investment fee of £2,250 ($£75,000 \times 3\% = £2,250$)
Initial fee between £100,000 & £250,000.	3% of the first £100,000 followed by 1% of remainder of the investment (Subject to a maximum fee of £4,500)
	For an investment of £200,000 you would be charged an initial investment fee of £4,500 (capped) <ul style="list-style-type: none"> • $£100,000 \times 3\% = £3,000$ • $£100,000 \times 1\% = £1,000$ ($£3,000 + £1,000 = £4,000$)
Initial fee over £250,000	£4,500
	Limited to our initial Fee Cap of £4,500

Paying our initial charges

We will discuss your payment options with you and agree with you how we will be paid. Our charges are payable on completion of our work and must be settled within 28 business days. Payment can be made either by:

1. Cheque or Bank Transfer (we do not accept payments by card or cash).
2. You may pay our charges via deductions from the financial product(s) that you might invest in, where the product/platform provider allows this. Please note that if you choose to pay by deduction from a financial product this will reduce the amount left for investment and may, depending on your circumstances, have other consequences. Although you may pay nothing to us up front that does not mean that our service is free. You still pay us indirectly through deductions from the amount you pay into your product.
3. If your investments are held on a platform (a platform is an online investment administration service) you may choose to pay our charges out of the funds held within the platform cash account (where the platform provider offers this facility).

If you select option 2 or 3 we will discuss how it works and the implications of using this payment method with you prior to putting it in place.

Ongoing services and reviews

The ongoing suitability of any products we have arranged for you will only be kept under review as part of an agreed ongoing service for which you agree to pay. Any ongoing service will be agreed with you and confirmed in our service agreement.

We can offer you one level of on-going service designed to provide periodic suitability reviews to ensure that recommended products remain relevant to your circumstances. Where we have agreed to undertake a periodic suitability review this will be done on at least an annual basis.

6.2 Service Level Options

Our charges relating to on-going services are as follows:

7. Service definitions

In order to help you more fully understand the services outlined in the table above, we would like to describe the services in more detail below.

Access to your adviser

We feel it is important that you should be able to contact us whenever you want. No matter which service level you select, if you require a chat or some guidance, you have telephone or email access to your Adviser. If your Adviser is not available at the time of your call, someone in the team will try to answer your query. Where this is not possible, your Adviser will contact you back within 24 hours, subject to normal working hours.

Suitability Review

A review of your current financial situation, attitude to risk and capacity for loss and a review of the continued suitability of your investments. A suitability report will be issued summarising our recommendations.

Portfolio valuation

This provides a current consolidated snap shot of your investment and/or pension portfolio.

Fund review and portfolio rebalancing

Research has shown that the decision as to how to divide up a portfolio into different asset classes is the most important part of portfolio management. Having established your attitude to risk and objectives, it is essential

that the corresponding asset allocation of your portfolio is reviewed on a regular basis. This will be done in line with the recommended investment solution and ongoing service level.

Retirement income forecasting

If you have made retirement provisions for which we are your Advisers, we will provide you with an illustrative projection showing your potential retirement income. This will include your entitlement to any State pensions and any Occupational Pension benefits you may have. We will then be able to assess this against your objectives to help you reach your retirement goals.

End of year tax pack

On request, at the end of each tax year we will provide you with the information relevant to your investments and pensions needed to complete your tax return. This service will save you time and ensure that all information is readily to hand when you or your Accountant complete your tax return.

Tax advice

Minimising the taxation of your investments, income and assets is of paramount importance because, if done well, it will increase your wealth. Whilst all new investments will be set up in a tax efficient manner, we will also review your existing investments and assets to ensure they are set up as tax efficiently as possible. We will also discuss with you any methods you could employ to reduce the Income Tax that you pay. Ad hoc tax advice is available too, for example you may wish to raise capital by disposing of one of your investments, and we can provide advice to ensure that this is done as tax efficiently as possible. Should the tax advice you require fall outside our areas of expertise, we will either work with your existing professional tax adviser or refer you to a specialist.

[The Financial Conduct Authority does not regulate Tax advice](#)

Cash management service

We will meet with you to discuss in detail any existing cash accounts you have, your circumstances and objectives, and produce a bespoke cash management plan. We will then obtain all the application forms and complete these with you to ensure your plan is implemented.

Lifetime Cash-flow planning

Whilst all clients want to know that they have sufficient income to provide the lifestyle they desire, there are times when more detailed cash flow planning is necessary. Should you have a specific goal or need, for example early retirement, a child's private or university education, or even that dream holiday, we can plan your cash flow to show you how you can achieve your goal. These goals and the cash flow planning will be reviewed regularly to ensure that you remain on target to meet your objective.

Transactional business

Occasionally, it may not be necessary to receive ongoing advice. You may also only wish to engage us for a one-off piece of advice. Any product arranged which falls into this category will not be kept under review in future. We will however provide further services upon request, which may be subject to an agreed new service level at that time.

Any Client can ring to discuss options or ask for a quote to benefit from any of our services. In all cases, you will be fully aware of whether you will receive an ongoing service or not.

[Our ongoing charges](#)

Any products we have arranged for you will only be kept under review as part of an agreed ongoing service for which you agree to pay. Any ongoing service will be agreed with you and confirmed in our service agreement.

Paying our ongoing charges

Payment of ongoing charges can be made either by:

1. A regular fee, paid by standing order
2. By deduction from your investment(s) on a monthly, quarterly, six-monthly or annual basis, where the product / platform provider is able to offer this facility

Ongoing services can be cancelled at any time by simply informing us in writing but please note that we reserve the right to charge you for services provided prior to cancellation.

Paying for our services on a hourly rate

We usually charge based on a percentage of assets for initial work and where we are providing an ongoing advisory and wealth management service. We may charge hourly rates where we are requested to produce one off pieces of work, for additional review meetings or additional non-inclusive services. Where we use or refer to hourly rate fees the current rates used are as follows:

Independent Financial Planner/ Director	£ 200
Technical Researcher	£ 50
Administrator	£ 25

You may ask us for an estimate of how much in total we might charge. You may also ask us not to exceed a given amount without checking with you first

Other Charges

Depending on the services we provide, there may be costs and charges (including taxes), not charged by us, but related to the financial products and services we arrange for you. These charges may be one-off charges (payable up front) or charges payable on an ongoing basis. For example:

- Service costs: If your investments are held on a platform (an online investment administration service) or held with a DFM, the platform provider / DFM will make a charge for administering / managing your investments.
- Investment costs: These are the costs relating to the manufacturing and managing of your investments – for example, fees charged by the investment fund manager, costs relating to investment transactions.

We'll always disclose any third party costs as part of making our recommendations.

Before we provide you with our advice we will add together all the costs and charges payable so that you are able to understand the overall costs of our services and recommendations. This is referred to as aggregated costs and charges information.

8. Protection planning

Our advised protection planning services are suitable if you are looking for the best way to protect you, your family or your business through products such as critical illness cover, health insurance and life cover. You can pay for our advised protection services by:

1. A fee
2. Commission (where this is available) payable by the product provider, which is a percentage of the annual premium
3. A combination of fee and commission

Paying by fee

Our fee will be based on an hourly rate basis subject to a minimum fee of £500.

Any commission we receive from the product provider can be used to offset this fee. Any surplus will be refunded to you. We will always present you with a personalised quote before undertaking any work that might be charged for.

The following example shows what our typical costs would be:

Average charge to a new client requiring family protection against death and critical illness based on £100,000 of cover		
Administrator	1 hour at £25 per hour = £25	Average cost for a new protection client is £1300*
Research planner	1 hour at £75 per hour = £75	
Adviser	6 hours at £200 per hour = £1200	
*If we received commission from your chosen product provider of £250 this would reduce the fee you pay directly to us to £1050		

Paying by commission

Where we are paid by commission we will tell you the amount before we carry out any business for you. Although you may pay nothing to us up front this does not mean that our service is free. You still pay us indirectly through deductions from the amount you pay into your product.

In respect of any regular premium policy which we have arranged for you, should you subsequently cease to pay premiums on the policy and in consequence we are obliged to refund the commission that has been paid to us, we reserve the right to charge you a fee representing the amount we have to repay, for a period of up to four years after commencement of the policy. We will confirm the exact amount that will need to be repaid by you and the timescale over which it will need to be repaid in the suitability report we will send you when a recommendation is made. We will not charge any such fee if you exercise your right to cancel in accordance with any cancellation notice sent to you by the life insurance company.

9. Mortgage advice

We advise on mortgage products. You can pay for our mortgage services by:

1. A fee
2. Lender fee (where this is available)
3. A combination of fee and lender fee

We will provide you with a separate Mortgage services document detailing the mortgage services we offer and the costs of those services.

10. Our Obligations

Recommendations

We will confirm to you in writing the basis of our recommendations along with details of any special risks associated with the products recommended.

Before making any recommendations we'll carry out a suitability assessment so that we are able to act in your best interests.

Where we agree to provide you with a service that includes an ongoing review of the suitability of the investments we have recommended, we'll carry out this review at least annually. To do this we will need to make contact with you to assess whether the information we hold about you remains accurate and up to date. We'll issue you with a report setting out the results of our assessment and, if relevant, any updated recommendations.

Best execution

Where we send investment applications on your behalf to third parties (e.g. to put an investment into force), we'll take all sufficient steps to ensure that we obtain the best possible result for you. This is referred to as 'best execution'.

We have a best execution policy. If you want to see a copy of it please ask us.

Anti-money laundering

We are required by the anti-money laundering regulations to verify the identity of our clients, to obtain information as to the purpose and nature of the business which we conduct on their behalf, and to ensure that the information we hold is up-to-date. For this purpose we may use electronic identity verification systems and we may conduct these checks from time to time throughout our relationship, not just at the beginning.

Conflict of interests

Although we'll always try to act in your best interests there may be situations where we or one of our other clients has some form of interest in the business being transacted for you. If this happens or we become aware that our interests or those of one of our other clients conflict with your own interests, we'll write to you and ask for your consent to proceed before we carry out any business for you. We'll also let you know the steps we'll take to make sure you are treated fairly.

We have a conflicts of interest policy. If you want to see a copy of it please ask us.

Other benefits we may receive

We are unable to accept or retain payments or benefits from other firms (e.g. product providers) as this would conflict with our independent status. (remove for restricted firms) From time to time we may attend training events funded and /or delivered by product providers, fund managers and platforms. These events are designed to enhance our knowledge and ultimately therefore enhance the quality of service we provide to our clients. Further details are available on request.

Business Support

We obtain professional support services from Sense Network Ltd who provide us with regulatory and business advice. Sense Network receive payments from product providers to cover the costs of including articles and other

educational material in its communications to us. These are designed to be educational in nature and will therefore ultimately benefit you. These payments represent the costs of publishing these materials from which Sense Network does not make a profit.

Communicating with you

We may communicate with you by telephone, post, e-mail or in person. In certain circumstances, we may ask you to confirm any instructions in writing prior to implementation. All our communications with you will be in English.

11. Your Obligations

Our advice will be based on the information that you give so it's important that you provide us with accurate and up to date information when we request details about your circumstances and objectives. This will allow us to provide you with suitable advice. If the information you provide is inaccurate or if you limit the information provided this could affect the suitability of the advice we give.

Under the FCA rules, we are required to consider whether it is in your best interests for us to act for you if you refuse to provide us with what we believe to be the necessary information. We therefore reserve the right to decline to act for you if we believe you have not provided us with the requisite information.

As we are required by anti-money laundering legislation to know who we are dealing with, it would be helpful if you could bring to the meeting evidence of your identity and address. This would normally include either your passport or driving licence and a utility bill in your name. If these documents are not available please speak to the Adviser who will confirm what alternatives would be acceptable.

12. Cancellation

Termination of this Agreement

You or we may terminate this agreement and our authority to act on your behalf at any time, without penalty. Notice of this termination must be given in writing and will take effect from the date of receipt. Termination is without prejudice to any transactions already initiated which will be completed according to this agreement unless otherwise agreed in writing. You will be liable to pay for any transactions made prior to termination and any fees outstanding, if applicable.

Ongoing services can be cancelled at any time by simply informing us in writing but please note that we reserve the right to charge you for services provided prior to cancellation.

Product cancellation rights

Full details of the products we recommend to you including, for example, the minimum duration of the product, information on your right to cancel or whether no right to cancel exists, and any other early termination rights and penalties, will be covered in the relevant product disclosure information you will receive before the conclusion of any contract.

In most cases you can exercise a right to cancel by withdrawing from the contract. In general terms you will normally have a 30 day cancellation period for a life, protection, payment protection or pension policy and a 14 day cancellation period for all other policies. Please note that there is no right to cancel a mortgage contract once the mortgage transaction has been concluded.

Instructions for exercising the right to cancel, if applicable, will be contained in the relevant product disclosure information which will be provided to you.

If you cancel a single premium contract, you may be required to pay for any loss you might reasonably incur in cancelling it which is caused by market movements. This means that, in certain circumstances, you might not get back the full amount you invested if you cancel the policy.

In respect of any regular premium policy which we have arranged for you, should you subsequently cease to pay premiums on the policy and in consequence we are obliged to refund the commission that has been paid to us, we reserve the right to charge you a fee representing the amount we have to repay, for a period of up to four years after commencement of the policy. We will confirm the exact amount that will need to be repaid by you and the timescale over which it will need to be repaid in the suitability report we will send you when a recommendation is made. We will not charge any such fee if you exercise your right to cancel in accordance with any cancellation notice sent to you by the life insurance company.

This agreement is governed by and should be interpreted in accordance with English law and you agree to submit to the non-exclusive jurisdiction of the English Courts.

Legal and accounting advice

Neither our firm nor our employees are qualified to render legal or accounting advice or to prepare any legal or accounting documents. It is hereby understood and agreed that the onus is on you, the client, to refer to a solicitor or accountant any point of law or accountancy that may arise during the course of discussions with us.

VAT

No VAT will generally be payable where you pass the "gateway test". This is effectively the point where intermediation (completing and placing your business with an appropriate provider) takes place to set up the solutions to deliver your goals. There are six stages to intermediation. If only the first four stages are completed then it is deemed that you have not completed the "gateway test" and VAT will be payable.

The stages are:

1. Gather information about the customer (fact find)
2. Carry out research to find suitable investment options
3. Provide the customer with reports, financial health checks, forecasts
4. Recommend specific investment products to the customer, including the prices at which these can be arranged

Gateway Test

5. Act between the product provider (s) and the customer with a view to arranging the sale of the Retail Investment Products agreed with the customer
6. And, where applicable i.e. where the customer agrees to an on-going review service monitor the customers on-going position to ensure that the products continue to meet the requirements of the customer.

15. Investment Related

Documentation

We will endeavour to make arrangements for all your investments to be registered in your name unless you first instruct us otherwise in writing. All policy documents will be forwarded to you as soon as practicable after we receive them. If there are a number of documents relating to a series of transactions, we will normally hold each document until the series is complete and then forward them to you.

Investment Performance & Risks

Please be aware that investments can fall, as well as rise, and that you may not get back the full amount invested. The price of investments we may recommend may depend on fluctuations in the financial markets, or other economic factors, which are outside our control. Past performance is not necessarily a guide to future performance.

Specific warnings relevant to the investments, investment strategies or other products we recommend will be confirmed to you in your suitability report. Under the terms of this agreement, we may, if appropriate, advise you on investments which are not readily realisable. We would draw your attention to the risks associated with these investments as there is a restricted market for them. In some circumstances it may therefore not be possible to deal in the investment or obtain reliable information about its value.

Unregulated financial products

Our services may also include advice on investments relating to, or executing transactions in unregulated financial products including non-mainstream pooled investments (NMPI) such as unregulated collective investment schemes (UCIS). Accordingly, you should carefully consider whether such investments are suitable for you in light of your personal circumstances and the financial resources available to you.

16. Mortgage related

Direct mortgage deals

We advise on mortgage products from the whole of the market. This means that we source the recommended mortgage from the range of mortgages available to “intermediary” firms. Certain lenders may offer products directly to the public, rather than via an intermediary firm, with more favourable terms. Accordingly our recommendation to you will be based on the most suitable mortgage product incorporated within the range available to intermediary firms.

If there is a particular mortgage product that you are aware of which is available directly from a lender that you wish us to review and comment on, we are happy to do so. We may charge you a fee for providing advice in relation to this but would agree this with you at the time.

17. Insurance related

Providing information to your insurer

Your insurance / protection cover is based upon the information you provide to the insurance company. Where you are buying insurance as an individual, this means that you must take 'reasonable care' to answer all questions asked by the insurer fully and accurately. For general insurance policies such as car insurance or liability insurance, once cover has been arranged, you must immediately notify the insurers or us of any changes to the information that you have already provided. Failure to provide accurate and up to date information may invalidate your insurance cover and mean that a claim may not be paid.

All other clients (e.g. commercial clients) must still disclose all 'material facts' (any information that may influence the insurer's decision over cover or terms) prior to inception and throughout the period of the policy. Again, failure to disclose material information may invalidate your insurance cover and could mean that a claim may not be paid.

18. Your Consent

This is our standard client agreement upon which we intend to rely. For your own benefit and protection you should read these terms carefully before signing them. If you do not understand any point please ask for further information.

I/We acknowledge that the client agreement will come into effect from the date of issue.
